Caring Times Is Going Digital

From March 2027 we will be sending Caring Times by text message instead of by post.

Why are we making this change?

- You will receive information more quickly, with no postal delays
- Information is always up to date when you access it online
- It allows us to take be more sustainable and reduce paper usage
- We can make better use of our resources and focus more on supporting carers.

Monthly service updates

We will also send monthly text updates from March 2027 to let you know about:

- Events and activities
- Training opportunities
- Ways to get involved and have your voice heard

Don't have internet access on your mobile?

Please call us on 01472 242277 and we will ensure that you continue to receive a paper copy through the post.

Keep your details up to date

If you need to update your mobile number, or if you would prefer to continue receiving a printed newsletter because you cannot access online content or have other accessibility requirements, get in touch.

Thank you for helping us stay connected in a quicker, more environmentally friendly and efficient way.

Carer Information & Support Programme

The Carer Information and Support Programme (CrISP) provides support and up-to-date, relevant information in a group environment, where carers can share experiences and find out about local and national services that can offer support.

The programme is run in a series of sessions which offers carers the opportunity to share experiences in a confidential and friendly environment with others in a similar situation.

Trained staff and volunteers run the sessions to ensure carers get the most out of the programme and can provide further information and support.

Utility Warehouse

Could you save on your utility bills?

The Carers' Support Service has teamed up with Utility Warehouse and their partner Mark Hardy, to help you save money on your bills.

If you choose to switch, Utility Warehouse donate to the Carers' Support Service, helping us to reach even more Carers.

Scan the QR code, complete the form, and Mark will get in touch. There is no pressure to switch, they help you, and we get support in return.
